2. The Board discussed the homeowners who have expressed an interest in serving on the Board. After some discussion, a motion was made to approve the appointment of Judith Whitmore. The motion was seconded and approved unanimously. The Board wants to thank all the other homeowners who volunteered to be on the Board.  
The Board reviewed the issue of lighting at Ironbridge. Presently homeowners are responsible for changing exterior light bulbs on the front elevation of their homes (garages/entryway) It is mandatory for homeowners to ensure that they are working correctly. To be more cost efficient the Board agreed to let CPM change expired light bulbs as they inspect the property. CPM will also notify homeowners of this procedure. A motion was made to approve CPM changing light bulbs. The motion was seconded and approved unanimously.

With no further business the meeting was adjourned at 11:00am.

Respectfully,  
Justin Windholz
